GURTLER INDUSTRIES, INC.

Metro Flo Rust Sour

Liquid Laundry Sour

METRO FLO RUST SOUR is a unique blended liquid laundry sour which combines superior alkalinity neutralization with iron chelators. **METRO FLO RUST SOUR** has the ability to sequester iron in the water supply and remove trace iron salts from laundered textiles, preventing gradual yellowing of laundered textiles and linens due to iron contamination. **METRO FLO RUST SOUR** is free of bifluorides and other fluorine acids. **METRO FLO RUST SOUR** is also free of phosphates and phosphoric acid.

Physical and Chemical Properties

Appearance	Clear/transparent liquid
Odor	Slight Citrus scent
Specific Gravity	1.07 (8.9 lbs/gal)
Free Acidity-Normalized	100 mg NaOH/gram Sour

Recommended Usage

Gurtler's VisTex systems are convenient automated chemical feed systems for liquid laundry products. The use of **METRO FLO RUST SOUR** is dependent upon the quality of the process water and steam feed, soil type, type of washers, and the materials to be laundered. Automatic dosage volumes will be programmed by Gurtler Chemicals' Technical Sales Representative.

Health and Safety

METRO FLO RUST SOUR is an acidic product that will cause severe burns if splashed into the eyes and may cause burns to the skin. Seek medical attention. Read and understand the MSDS before using product.
