GURTLER INDUSTRIES, INC.

Ultimate Alkali

Concentrated Alkaline Builder

A highly effective extra-concentrated liquid builder with a unique blend of soil and water conditioners. **POWER JOLT** enhances detergency and improves soil and stain removal for all types of soil conditions. **POWER JOLT** utilizes polymeric water and soil conditioners that sequester hardness as well as prevents soil redeposition for excellent whiteness and brightness. Highly effective, and rinses quickly for maximum flexibility.

Active Ingredients

Appearance	Fluorescent yellow-green, clear liquid
Odor	Little
Na_2O (t)	>23%
pH of 1% soln.	12.67
Specific gravity	1.350
Freeze point	Less than -18°C (0°F)

Recommended Usage

Your Gurtler technical sales representative will program automatic injection settings for your Gurtler GRIP liquid injection system. The use of **POWER JOLT** is dependent upon the type of washer, load size within the washer and the material to be laundered.

Health and Safety

POWER JOLT is a highly alkaline product that will cause severe burns if splashed into the eyes and may cause alkaline burns to the skin. Seek medical attention. Read and understand the MSDS before using product.
