Adco Professional Products, LLC, Chicago, IL 60608

APOG Use Instructions

For professional drycleaning use only. Read Safety Data Sheet for further instructions, warnings, and first aid information before using this product. If colorfastness is questionable, test fabric in a hidden area.

- Apply **PURO™** (volatile dry spotter) to the stained area.
- Apply Apply **APOG** to the stain
- Tamp with spotting brush
- Allow time for the stain and hardened surfaces to soften
- Flush from the fabric with **PURO**
- Dryclean promptly

Note: Dry-side stain removal requires that no moisture be present during the process. The use of water or steam may result in permanent color loss and/or spreading of the stain.

How to Order APOG

APOG is sold by authorized Adco distributors. Order from your local distributor in single one-gallon (3.785 L) containers or in boxes of four 1-gallon containers.
