SILK SHEEN®

SPECIALTY CHEMICAL: SILK REVITALIZER

Silk Sheen restores silk garments to a “sparkling” like-new condition, eliminating streaks and swales. Transform dull, dry-looking silk into a lustrous fabric with **Silk Sheen**.

- For Use After Garments Are Drycleaned
- Eliminates Streaks & Swales From Silks & Other Light Weight Fabrics
- Restores Original Lustre & Sheen To Silks
- Ready-To-Use, No Mixing Required
- Helps Cover Up Color Loss From Spotting

SPECIALTY

SILK SHEEN Use Instructions

For professional drycleaning use only. Read Safety Data Sheet for further instructions, warnings, and first aid information before using this product. If colorfastness is questionable, test fabric in a hidden area.

Drycleaning Use:

- Pull the finished silk load from the reclaimer/cleaning machine.
- While hanging the load up, inspect for those silks requiring **Silk Sheen** treatment and lay those silk garments to the side.
- Separate light silks from the dark silks.
- Saturate the garment with Silk Sheen in a clean, covered container.
- Remove the garment and place into the drycleaning machine.
- Lightly extract and cool dry at approximately 120°F (39° C)
- Proceed with the next silk using the same procedures.

How to Order SILK SHEEN

Silk Sheen is sold by authorized Adco - Laidlaw distributors. Order from your local distributor in single one-gallon (3.785 L) containers or in boxes of four 1-gallon containers.
